JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

# Public Health Reports.

(Formerly "Abstract of Sanitary Reports.")

Treasury Department, United States Marine-Hospital Service. Published in accordance with act of Congress approved February 15, 1893.

VOL. XI.

WASHINGTON, D. C., OCTOBER 30, 1896.

No. 44.

## UNITED STATES.

[Reports to the Supervising Surgeon-General United States Marine-Hospital Service.]

*One death from yellow fever at New York Quarantine.*

QUARANTINE, STATEN ISLAED, *October 22, 1896.*

DEAR SIR: I have the honor to inform you that Thomas Andrew Saweckoe, a second cabin passenger on the steamship *Yucatan*, which arrived at this port on Monday, October 19, was removed to Hoffman Island for observation, not having an acclimatization certificate issued by Dr. Burgess. He subsequently became ill and developed yellow fever, of which he died at 10.30 last evening.

Respectfully,

A. H. DOTY,  
*Health Officer, Port of New York.*

*Smallpox in the United States as reported to the Supervising Surgeon-General United States Marine-Hospital Service, May 9, 1896, to October 28, 1896.\**
